

Centre Region Classifications

Considering *the World Bank list of economies (June 2017)* OTHM centres has been classified into three separate regions:

- Region 1: High income economies;
- Region 2: Upper middle income economies; and
- Region 3: Lower middle income and Low income economies.

Centres in the United Kingdom falls into Region 1 along with other High income economies – (normal fees apply for all Region 1 Centres).

Prospective centres and learners should find which region their centre falls into and pay the appropriate fees.
